And you wonder

Fill in the gaps

Lemon Tree (Dance Remix) by Fool's Garden

I'm sitting here in the boring room	I wonder how
It's just another rainy sunday afternoon	I wonder why
I'm wasting my time I've got (1) to do	Yesterday you told me about the blue (7) sky
I'm hanging around, I'm (2) for you	And all that I can see
But nothing ever happens	Is just another lemon tree
And I wonder	I'm turning my head up and down
I'm driving around in my car	I'm turning turning turning turning around
I'm (3) too fast I'm driving too far	And all that I can see
I'd like to change my point of view	Is just a yellow lemon tree
I feel so lonely, I'm waiting for you	Sing!
But nothing ever happens	Da, da da da da, di da da
And I wonder	Da da da da, di da da
I wonder how	Da di di di da da
I wonder why	Da, da da da da, di da da
Yesterday you told me about the blue blue sky	Da da da da, di da da
And all that I can see	Da di di di da da
Is just a yellow lemon tree	I wonder how
I'm turning my head up and down	I wonder why
I'm turning turning turning (4) turning	Yesterday you told me about the (8) blue sky
around	And all that I can see
And all that I can see	Is just a yellow lemon tree
Is just another lemon tree	I'm turning my head up and down
Sing!	I'm turning turning turning turning around
Da, da da da, di da da	And all (9) I can see
Da da da da, di da da	Is just a yellow lemon tree
Da di di di da da	And I wonder, I wonder
I'm sitting here I miss the power	I wonder how
I'd like to go out, taking a shower	I wonder why
But there's a heavy cloud inside my head	Yesterday you told me about the blue (10) sky
I feel so tired, put myself into bed	And all that I can see
Where nothing ever happens	And all that I can see
And I wonder	And all that I can see
I'm stepping around in the desert of joy	Is just a yellow lemon tree
Baby anyhow I'll get (5) toy	
And (6) will bennen
