

Fill in the gaps

I got a lot to say to you	Crush
Yeah, I got a lot to say	Crush
I (1) (2) eyes are always (glued Crush, crush
to me	(Two, three, four!)
Keeping (3) here	Nothing compares to a quiet evening alone
And it makes no sense at all	Just the one two of us who's counting on
They taped (4) (5) mouth	That never happens
Scribbled out the truth with (6) lies	I guess I'm dreaming again
You little spies	Let's be more (15) this
They taped (7) (8) mouth	Rock and roll, baby
Scribbled out the truth with their lies	Don't you know that we're all alone now?
You (9) spies	I need (16) to sing about
Crush	Rock and roll, hey
Crush	Don't you know, baby, we're all alone now?
Crush	I (17) something to sing about
Crush, crush	Rock and roll, hey
(Two, three, four!)	Don't you know, baby, we're all alone now?
Nothing compares to a (10) evening alone	Give me something to sing about
Just the one two of us who's counting on	Nothing compares to a quiet evening alone
That never happens	Just the one two of us who's (18) or
I guess I'm dreaming again	That (19) happens
Let's be more than this	I (20) I'm dreaming again
If you want to play it like a game	Let's be (21) than
Well, come on, come on, let's play	(No, oh)
Cause I'd (11) waste my life pretending	Nothing compares to a (22) evening alone
Than have to forget you for one whole minute	Just the one two of us who's counting on
They taped over your mouth	That (23) happens
Scribbled out the (12) (13) their	lies I (24) I'm dreaming again
You little spies	Let's be (25) than
They taped over your mouth	More than this
Scribbled out the truth with (14) lies	
You little spies	
Crush
