

Fill in the gaps

Almost Over You by Sheena Easton

I saw an old (1) of ours today	So when you come back around
She asked about you	After painting the town
I didn't quite know what to say	You'll see I'm (13) you
Heard you've been making the rounds round here	I can (15) you and soon I'll forget
While I've (2) trying to make tears disappear	All those shattered dreams
Now I'm almost (3) you	Although you (16) me (17) nothing to
I've almost (4) these blues	show
So when you come (5) around	For the misery
After painting the town	Now I'm almost over you
You'll see I'm (6) you	I've almost shook these blues
You're (8) a sly one with your (9) cold	So (18) you come back around
heart	After painting the town
Maybe leaving came easy	You'll see I'm almost over you
But it tore me apart	When you (19) back around
Time heals all wounds they say	After painting the town
And I (10) know	You'll see I'm (20) over you
Cause it (11) (12) forever but I'm	
letting you go	
Now I'm almost over you	
I've almost shook these blues
