

Fill in the gaps

Almost Over You by Sheena Easton

I saw an old friend of ours today
She asked about you
I didn't quite know what to say
Heard you've (1)_____ making the (2)_____
round here
While I've been trying to make tears disappear
Now I'm almost over you
I've almost shook these blues
So when you come back around
After (3)_____ the town
You'll see I'm almost over you
You're such a sly one with your cold cold heart
Maybe leaving came easy
But it tore me apart
Time heals all wounds they say
And I (4)_____ know
Cause it seems like forever but I'm letting you go
Now I'm almost over you
I've (5)_____ (6)_____ these blues

So when you come (7)_____ around
After (8)_____ the town
You'll see I'm almost over you
I can forgive you and soon I'll forget
All those shattered dreams
Although you (9)_____ me (10)_____ nothing to
show
For the misery
Now I'm almost over you
I've almost shook these blues
So when you come back around
After painting the town
You'll see I'm almost over you
When you come back around
After painting the town
You'll see I'm almost over you
