Cold and frosty morning		In the (/) of my life
There's not a lot to say		Cos I need more time
About the things (1)	in my mind	Yes I need more time just to make things right
And as the day was dawning		Me and you what's going on
My plane flew away		All we seem to know is how to show
With all the (2)	_ caught in my mind	The feelings (8) I wrote
I don't wanna be there when your, coming down		So don't go away
I don't wanna be ther when you hit the ground		Say what you say
So don't go away		Say that you'll stay
Say what you say		Forever and a day
Say that you'll stay		In the time of my life
Forever and a day		Cos I need more time
In the time of my life		Yes I need more (9) just to make things right
Cos I need more time		And don't go away
Yes I need more time just to make things right		Say what you say
Damn my (3) and the games I have to		Say that you'll stay
play		Forever and a day
With all the things caught in my mind		In the time of my life
Damn my education I can't find the words to say		Cos I need more time
With all the things (4)	in my mind	Yes I need more time just to (10) things right
I don't wanna be there when your coming down		Yes I need more time just to make things right
I don't wanna be (5)	(6) you hit the	Yes I need more time just to make things right
ground		So don't go away
So don't go away		
Say what you say		
Say that you'll stay		
Forever and a day
