Fill in the gaps

Drop The World by Lil Wayne & Eminem

got ice in my veins
Blood in my eyes
Hate in my heart
Love in my mind
seen nights full of pain
Days of the same
You keep the sunshine
Save me the rain
search but never find
Hurt but never cry
work and forever try
But I'm cursed so never mine
And it's worse but better times
Seems further and beyond
The top gets higher the more that I climb
The spot gets smaller and I get bigger
Tryna get me where I fit in
No room for a ***** but soon for a ***** it be on
******* cause
All this ******* have made me strong, *********
So I pick the world up and
'ma drop it on your (1) head
Yeah, ***** I'ma pick the world up and
'ma drop it on your ****** head
Yeah, and I can die no rebirth now **********
Hop up in my spaceship and leave earth **********
'm gone, ********
'm gone
know what they don't wanna tell you

Just hope your heaven sent and ya hell proof

I'll wake up in the (2) and cut the lights off
And confidence is a stain they can't wipe off
(Uh) My word is my pride
But wisdom is bleak and thats a word from the wise
Served to survive, ****** and bribe
And when it got too heavy I put my burden aside
So I pick the world up and
I'ma drop it on your ****** head
(Haha! Yeah) *****
I'ma pick the world up and
I'ma drop it on your ****** head
Yeah, and I can die no rebirth now **********
Hop up in my spaceship and leave earth **********
I'm gone, *********
I'm gone
I'm gone
It hurts but never show
Its pain you'll never know
If only you can see just how (3) and how cold
And frostbit I've become
My back's against the wall
When push come to shove
I just stand up and (4) **** em all
Man it (5) like these walls are closing in
This roof is caving in
Oop its time to raise it then
Your days are numbered like pages in
My book of rhymes got em cooking boy
This crooked mind of mine got em all (6) and scared

To look in my eyes

I stole that ****** clock, I took the time and I
Came up from behind
And pretty much snuck up and ****-*****
This game up
Better be careful when you bring my name up
**** this fame that aint what
I came to claim, but the game ain't gonna be the same
On the day that I leave it
But I swear one way or another
I'm gonna make these ****** haters believe that
I swear to God
Won't spare the rod, I'm a man of my word
So your ****** heads better nod
Or I'ma gonna **** around in this *****
And roast everybody
Sleep on me that (7) is where your head'll lie
Permanetly ***** its beddy bye
This world is my easter egg, yeah, prepare to die
My head is swoll
My (8) is up
This stage is my pedastal
I'm unstoppable, The Incredible Hulk
You're trapped in my (9) ball
I can run circles around you so fast your
****** head'll spin dogg
I'll split your cabbage and your lettuces and
Olives I'll ******
So I pick the world up and
I'ma drop it on your ****** head

I'ma drop it on your ****** head
Yeah, and I can die no rebirth now **********
Hop up in my spaceship and leave earth ************************************
I'm gone, ********
