Fill in the gaps

Across The Universe by The Beatles

Words are flying out	Nothing's gonna change my world
Like endless rain into a paper cup	Nothing's gonna change my world
They slither while (1) pass	Nothing's gonna change my world
They slip away across the universe	Sounds of laughter shades of life
Pools of sorrow waves of joy	Are ringing through my open ears
Are drifting thorough my open mind	Exciting and inviting me
Possessing and caressing me	Limitless undying love
(Jai guru deva om)	Which shines around me (8) a million suns
Nothing's gonna change my world	It calls me on and on across the universe
Nothing's (2) my world	(Jai guru deva om)
Nothing's gonna change my world	Nothing's gonna change my world
Nothing's gonna change my world	Nothing's gonna change my world
Images of broken light	Nothing's gonna change my world
Which (4) before me like a million eyes	Nothing's gonna change my world
That call me on and on (5) the universe	(Jai guru deva)
Thoughts meander like a restless wind inside a letter box	(Jai guru deva)
They tumble blindly	(Jai guru deva)
As (6) make their way across the universe	
(Jai guru deva om)	
Nothing's gonna (7) my world
