They slither while they pass	Sounds of laughter shades of life
They slip away across the universe	Are (16) through my open ears
Pools of sorrow waves of joy	Exciting and inviting me
Are drifting thorough my open mind	Limitless undying love
Possessing and (4) me	Which (17) (18) me like a

Nothing's gonna change my world	(Jai (22) (23) om)
Nothing's (8) my world	Nothing's gonna (24) my world
Images of (10) light	Nothing's gonna change my world
Which dance before me like a million eyes	Nothing's (25) change my world
That call me on and on across the universe	Nothing's gonna (26) my world

They tumble blindly	(Jai (27) deva)
As they make their way across the universe	
(Jai guru deva om)	
Nothing's gonna (13) my world
