Fill in the gaps

Across The Universe by The Beatles

vvords are flying out	Nothing's gonna (7) my world
Like endless rain into a paper cup	Nothing's (8) change my world
They slither while they pass	Nothing's (9) change my world
They slip away across the universe	Sounds of laughter shades of life
Pools of sorrow (1) of joy	Are ringing through my open ears
Are drifting thorough my open mind	Exciting and inviting me
Possessing and caressing me	Limitless undying love
(Jai guru deva om)	Which shines around me like a million suns
Nothing's gonna change my world	It calls me on and on across the universe
Nothing's (2) my world	(Jai guru deva om)
Nothing's (4) change my world	Nothing's gonna change my world
Nothing's gonna change my world	Nothing's gonna change my world
Images of broken light	Nothing's gonna change my world
Which dance (5) me like a million eyes	Nothing's gonna change my world
That call me on and on across the universe	(Jai guru deva)
Thoughts (6) like a restless wind inside a	(Jai guru deva)
letter box	(Jai guru deva)
They tumble blindly	
As they make their way across the universe	
(Jai guru deva om)	
Nothing's gonna change my world
