## The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the matter is I'm complicated	Cause this ain't Wonderland
You're as straight as (1) come	It damn sure ain't Narnia
You go 'bout (2) day baby	And once you (16) the line
While I had (3) the sun	You can't change your mind
It's (4) if you don't understand	Yeah I'm a monster
Cause you wont know what it's like	But I'm no Frankenstein
Until you try	And quite frankly
You know I, I've (5) waiting on the other side	I've been feeling (17) in
And you, all you (6) do is cross the line	(18) my eyes
I (7) wait a whole life time	I really cant explain what I feel inside
But you just gotta decide	If you knew what I was you's would run and hide
You know I	Many have tried to go into the night
I've been waiting on the other	Cross over the line and (19) back alive
Waiting on the other side	But that's the price we pay
We would (8) forever	When we living on the other side
Who could ask for more	You (20) I, I've been waiting on the
You could die if you wanted	(21) side
But baby (9) for	And you, all you gotta do is cross the line
It's better if you don't understand	I could wait a (22) life time
And you won't (10) it's like	But you just gotta decide
Until you try	You know I
You know I, I've been waiting on the other side	I've been (23) on the other
And you, all you gotta do is cross the line	Waiting on the other side
I could (12) a whole life time	It's better if you don't understand
But you (13) (14) decide	It's better if you don't understand
You (15) I	It's better if you don't understand
I've been waiting on the other	It's better if you don't understand
Waiting on the other side	It's better if you don't understand
If they say life's a dream	It's (24) if you don't understand
