Truth of the matter is I'm complicated	Cause this ain't Wonderland
You're as straight as they come	It damn sure ain't Narnia
You go 'bout your day baby	And once you cross the line
While I had from the sun	You can't change your mind
t's better if you don't understand	Yeah I'm a monster
Cause you wont (1) what it's like	But I'm no Frankenstein
Until you try	And quite frankly
You (2) I, I've (3) waiting on the other	I've been feeling insane in between my eyes
side	I really cant explain what I feel inside
And you, all you gotta do is cross the line	If you knew what I was you's would run and hide
could wait a whole life time	Many have tried to go (7) the night
But you just gotta decide	Cross (8) the line and come back alive
You know I	But that's the price we pay
ve been waiting on the other	When we living on the other side
Naiting on the other side	You know I, I've been waiting on the other side
Ne would live forever	And you, all you gotta do is cross the line
Who could ask for more	I (9) wait a whole life time
You could die if you wanted	But you just gotta decide
But baby (4) for	You know I
t's better if you don't understand	I've been waiting on the other
And you won't know what it's like	Waiting on the other side
Until you try	It's better if you don't understand
You know I, I've been waiting on the other side	It's better if you don't understand
And you, all you gotta do is cross the line	It's better if you don't understand
could wait a whole life time	It's better if you don't understand
But you just gotta decide	It's better if you don't understand
You know I	It's better if you don't understand
've (5) waiting on the other	
Naiting on the (6) side
