

Fill in the gaps

Under Cover Of Darkness by The Strokes

Slip back out of (1) at (2) best	Everybody's been (16) the same
It's a nightmare	(17) for ten years
So I'm (3) the army	I'll (18) for you
Know how folks (4) out, I still call	Will you wait for me too?
Will you (5) for me now?	And they (19) their lives
We got the righteous advice to use it	In the (20) are all closed eyes
Got everything but you can (6)(7)	I've been saying it a (21) times
it	And I'll say it again
I won't tie me a puppet on a string	So long, my adversary and friend
Don't go that way	Don't go that way
I'll wait for you	I'll wait for you
And I'm tired of all (8) friends	I'm tired of all your friends
Listening at (9) door	Knocking down your door
And I want what's (10) for you	Get up in the morning, give it your all
So (11) my (12) and adversary	So (22) my friend and adversary
But I'll wait for you	I'll wait for you
Get dressed (13) out of bed and do it best	
Are you ok?	
I've (14) all around (15) town	

1. whack
