Drops Of Jupiter by Boyce Avenue

Fill in the gaps

Now that she's back in the atmosphere
With drops of Jupiter in her hair
(Hey, hey, hey, hey)
She acts like summer and walks like rain
Reminds me that there's time to change
(Hey, hey, hey, hey)
Since the return from her stay on the moon
She (1) like spring and she talks like June
(Hey, hey, hey, hey)
(Hey, hey, hey, hey)
Tell me did you sail across the sun
Did you make it to the milky way to see the lights all faded
And that heaven is overrated
But tell me, did you fall for a shooting star
One without a permanent scar
And did you miss me while you were looking
For yourself out there
Now that she's back from that soul vacation
Tracing her way through the constellation
(Hey, hey, hey)
(Mmmm)
She checks out Mozart while she does tae-bo
Reminds me that there's room to grow
(Hey, hey, hey yeah)
Now that she's back in the atmosphere
I'm afraid that she (2) think of me as plain ol
jane
Told a story about a man who is too afraid to fly
So he never did land
Tell me did the wind sweep you off your feet
Did you finally get the chance to dance along the light of day
And head back to the milky way

And tell me, did Venus blow your mind

Was it everything you wanted to find
And did you miss me while you were looking
For yourself out there
Can you imagine no love, pride, deep-fried chicken
Your best friend always sticking up for you
Even when I know you're wrong
Can you imagine no first dance
Freeze dried romance five-hour phone conversation
The best soy latte that you (3) had and me
Tell me did the (4) sweep you off (5)
feet
Did you finally get the chance to dance along the light of day
And head (6) toward the milky way
Tell me did you sail across the sun
Did you make it to the milky way to see the lights all faded
And that (7) is overrated
