My Happy Ending by Avril Lavigne

All the (shit) that you do

Fill in the gaps

Oh oh, oh oh	You were all the things I thought I knew
So much for my happy ending	And I thought we could be
Dh oh, oh oh	You were everything, everything that I wanted
So much for my happy ending	We were meant to be, supposed to be, but we (4)
Dh oh, oh oh, oh oh	it
et's talk this over	All of the memories, so close to me, just fade away
t's not like we're dead	All this time you were pretending
Vas it something I did?	So much for my happy ending
Vas it something you said?	It's nice to know that you were there
Oon't leave me hanging	Thanks for acting like you care
n a city so dead	And making me feel like I was the (5) one
Held up so high	It's nice to know we had it all
On such a breakable thread	Thanks for watching as I fall
ou were all the things I thought I knew	And letting me know we were done
And I (1) we could be	You were everything, everything that I wanted
ou were everything, everything that I wanted	We were meant to be, supposed to be, but we lost it
We were meant to be, supposed to be, but we lost it	All of the memories, so close to me, just fade away
All of the memories, so close to me, just fade away	All this time you were pretending
All this time you (2) pretending	So (6) for my happy ending
So much for my happy ending	You (7) everything, everything that I wanted
Dh oh, oh oh	We were meant to be, supposed to be, but we lost it
So much for my happy ending	All of the memories, so close to me, (8) fade away
Dh oh, oh oh	All (9) time you were pretending
ou've got (3) dumb friends	So (10) for my happy ending
know what they say	Oh oh, oh oh
They tell you I'm difficult	So much for my happy ending
But so are they	Oh oh, oh oh
But they don't know me	So much for my happy ending
Oo they even know you?	Oh oh, oh oh, oh oh
All the things you hide from me
