

Fill in the gaps

Oh oh, oh oh	You were all the things I thought I knew
So much for my happy ending	And I thought we could be
Oh oh, oh oh	You (11) everything, (12)
So much for my happy ending	(13) I wanted
Oh oh, oh oh, oh oh	We were meant to be, supposed to be, but we lost it
Let's talk (1) over	All of the memories, so close to me, just (14) away
It's not (2) we're dead	All this time you were pretending
Was it something I did?	So much for my happy ending
Was it something you said?	It's nice to (15) that you (16) there
Don't leave me hanging	Thanks for acting like you care
In a (3) so dead	And making me (17) like I was the (18)
Held up so high	one
On (4) a breakable thread	It's (19) to know we had it all
You were all the things I thought I knew	Thanks for watching as I fall
And I thought we could be	And letting me know we were done
You were everything, (5) that I	You were everything, (20)
wanted	(21) I wanted
We were (6) to be, supposed to be, but we lost it	We were (22) to be, supposed to be, but we lost
All of the memories, so close to me, just fade away	it
All this (7) you were pretending	All of the memories, so (23) to me, just fade
So much for my happy ending	away
Oh oh, oh oh	All (24) time you (25) pretending
So much for my happy ending	So much for my happy ending
Oh oh, oh oh	You were everything, everything that I wanted
You've got (8) dumb friends	We were (26) to be, supposed to be, but we
I know what they say	(27) it
They tell you I'm difficult	All of the memories, so close to me, just fade away
But so are they	All this time you were pretending
But they don't know me	So much for my happy ending
Do they even (9) you?	Oh oh, oh oh
All the things you hide (10) me	So (28) for my happy ending
All the (shit) that you do	Oh oh, oh oh
	So much for my (29) ending
	Oh oh, oh oh, oh oh
