My Happy Ending by Avril Lavigne

Fill in the gaps

Oh oh, oh oh	You were all the things I thought I knew
So much for my happy ending	And I thought we (3) be
Oh oh, oh oh	You were everything, (4) that
So much for my happy ending	wanted
Oh oh, oh oh, oh oh	We were meant to be, supposed to be, but we lost it
Let's talk this over	All of the memories, so close to me, just fade away
It's not like we're dead	All (5) time you were pretending
Was it something I did?	So much for my happy ending
Was it something you said?	It's nice to know that you were there
Don't leave me hanging	Thanks for acting like you care
In a city so dead	And making me feel like I was the (6) one
Held up so high	It's nice to know we had it all
On such a breakable thread	Thanks for watching as I fall
You (1) all the things I thought I knew	And (7) me know we were done
And I thought we could be	You were everything, everything that I wanted
You were everything, everything that I wanted	We were meant to be, supposed to be, but we lost it
We were meant to be, supposed to be, but we lost it	All of the memories, so close to me, (8) fade away
All of the memories, so (2) to me, just fade away	All this (9) you were pretending
All this time you were pretending	So much for my happy ending
So much for my happy ending	You were everything, everything that I wanted
Oh oh, oh oh	We were meant to be, supposed to be, but we lost it
So much for my happy ending	All of the memories, so close to me, just fade away
Oh oh, oh oh	All this time you were pretending
You've got your dumb friends	So much for my happy ending
I know what they say	Oh oh, oh oh
They tell you I'm difficult	So much for my happy ending
But so are they	Oh oh, oh oh
But they don't know me	So (10) for my happy ending
Do they even know you?	Oh oh, oh oh, oh oh
All the things you hide from me	
All the (shit) that you do	

- 1. were
- 2. close
- 3. could
- 4. everything
- 5. this
- 6. only
- 7. letting
- 8. just
- 9. time
- 10. much
