

Fill in the gaps

I tear on the leash	Above the faded line
That keeps me (1) and controlled	Way beyond the (11) that bind
Let me go	This I know
I want to (2) free	The risk is (12) the gain
And (3) my way out of this hole	It's worth the sacrifice
One last hope	Way (13) the (14) that bind
To rise and break away	You broke me (15) pieces
Above the faded line	Don't (16) me (17) to be
Way beyond the ties that bind	Damn you all, I'm gonna find my way
This I know	One (18) hope
The risk is worth the gain	To (19) and (20) away
It's (4) the sacrifice	Above the faded line
Way (5) the ties that bind	Way (21) the (22) that bind
I run but the chains	This I know
Pull me (6) (7) to the floor	The risk is (23) the gain
You control	It's worth the sacrifice
I rattle the cage	Way (24) the (25) that bind
I won't be your (8) anymore	
One (9) hope	
To rise and (10) away
