Fill in the gaps

Nothing's Gonna Change My Love For You by Glenn Medeiros

If I had to live my life without you near me	I don't want to live without you
The days would all be empty	Nothing's gonna change my love for you
The nights (1) seem so long	You (7) know by now how much I love you
With you I see forever oh so clearly	One thing you can be sure of
I might have been in love before	I'll never ask for more than your love
But it never felt this strong	Nothing's gonna change my love for you
Our dreams are young and we both know	You oughta know by now how much I love you
They'll take us where we want to go	The world may change my whole life through
Hold me now	But nothing's gonna change my love for you
Touch me now	Nothing's gonna change my love for you
I don't want to live without you	You oughta know by now how much I love you
Nothing's gonna change my love for you	One thing you can be sure of
You oughta know by now how much I love you	I'll never ask for more than your love
One thing you can be (2) of	Nothing's gonna (8) my love for you
I'll (3) ask for more than your love	You oughta know by now how much I love you
Nothing's gonna change my love for you	One thing you can be sure of
You oughta know by now how much I (4) you	I'll (9) ask for more than your love
The world may change my whole (5) through	Nothing's gonna change my love for you
But nothing's gonna change my love for you	You oughta know by now how much I love you
If the road ahead is not so easy	The world may change my whole life through
Our love will lead the way for us	But nothing's gonna change my love for you
Like a guiding star	Nothing's gonna change my love for you
I'll be there for you if you should need me	You oughta know by now how much I love you
You don't have to (6) a thing	One thing you can be sure of
I love you just the way you are	I'll never ask for more than your love
So come with me and share the view	
I'll help you see forever too	
Hold me now
