

I live for glitter, not you

Fill in the gaps

Teenage dreams in a teenage circus	We are not what you think we are
Running around like a clown on purpose	We are golden, we are golden
Who (1) a damn about the family you come	We are not what you (4) we are
from?	We are golden, we are golden
No giving up when you're young and you want some	Teenage dreams in a (5) circus
Running around again	Running around (6) a clown on purpose
Running (2) running	Who gives a damn about the family you come from?
Waking up in the midday sun	No giving up when you're young and you want some
What's to live for?	Now I'm sitting alone
You could see what I've done	I'm finally looking around
Staring at emotion	Left here on my own
In the light of day	I'm going to hurt myself
I was running	Maybe losing my mind
From the things that you'd say	I'm still wondering why
We are not what you think we are	Had to let the world
We are golden, we are golden	Let it bleed me dry
We are not what you think we are	We are not (7) you think we are, we are
We are golden, we are golden	We are not what you (8) we are
Teenage dreams in a teenage circus	We are not what you think we are
Running around like a clown on purpose	We are golden, we are golden
Who gives a damn about the family you come from?	Teenage (9) in a teenage circus
No giving up when you're (3) and you want	Running around like a clown on purpose
some	Who gives a (10) about the family you come from
Running around again	No giving up when you're young and you want some
Running from running	Running around again
Running around again	Running from running
Running from running	Running around again
I was a boy	Running from running
At an open door	We are not what you think we are
Why you staring?	We are golden, we are golden
Do you still think that you know?	
Looking for treasure	
In the things that you threw	
Like a magpie
