

I live for glitter, not you

Fill in the gaps

Teenage dreams in a teenage circus	We are not what you think we are
Running around like a clown on purpose	We are golden, we are golden
Who gives a damn about the family you come from?	We are not (4) you think we are
No giving up when you're young and you (1) some	We are golden, we are golden
Running around again	Teenage (5) in a teenage circus
Running from running	Running around like a clown on purpose
Waking up in the midday sun	Who gives a damn about the family you (6) from
What's to live for?	No giving up when you're young and you (7) som
You could see what I've done	Now I'm sitting alone
Staring at emotion	I'm finally looking around
In the light of day	Left here on my own
I was running	I'm going to hurt myself
From the things that you'd say	Maybe losing my mind
We are not what you (2) we are	I'm still wondering why
We are golden, we are golden	Had to let the world
We are not what you think we are	Let it bleed me dry
We are golden, we are golden	We are not what you think we are, we are
Teenage dreams in a teenage circus	We are not what you think we are
Running around like a clown on purpose	We are not (8) you think we are
Who gives a damn about the family you come from?	We are golden, we are golden
No giving up when you're young and you want some	Teenage dreams in a teenage circus
Running around again	Running around like a (9) on purpose
Running from running	Who gives a damn about the family you come from?
Running around again	No giving up when you're young and you want some
Running from running	Running around again
I was a boy	Running from running
At an open door	Running around again
Why you staring?	Running from running
Do you still (3) that you know?	We are not what you (10) we are
Looking for treasure	We are golden, we are golden
In the things that you threw	
Like a magpie
