

Fill in the gaps

Waiting For The End by Linkin Park

This is not the end
This is not the beginning
Just a voice (1)_____ a riot rocking every revision
But you listen to the (2)_____ and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah
With fists flying up in the air
Like we're holding onto (3)_____ that's
invisible there
Cause we're living at the mercy of the (4)_____ and the
fear
Until we (5)_____ it, forget it, let it all disappear
Waiting for the end to come
Wishing I had (6)_____ to stand
This is not what I had planned
It's out of my control
Flying at the speed of light
Thoughts (7)_____ spinning in my head
So many (8)_____ were (9)_____ unsaid
It's hard to let you go
I (10)_____ (11)_____ it takes to move on
I know how it feels to lie
All I want to do
Is trade this life for something new
Holding on to what I haven't got
Sitting in an empty room
Trying to forget the past
This was (12)_____ meant to last
I wish it wasn't so

I know what it takes to move on
I know how it feels to lie
All I want to do
Is trade this life for something new
Holding on to (13)_____ I haven't got
What was left when that fire was gone
I thought it (14)_____ right but that right was wrong
All caught up in the eye of the storm
And trying to figure out what it's like moving on
And I don't (15)_____ know (16)_____ kind of
(17)_____ I said
My mouth kept (18)_____ and my (19)_____
went dead
So I'm picking up the pieces, now where to begin
The (20)_____ part of ending is starting again
All I want to do
Is (21)_____ this life for something new
Holding on to what I haven't got...
This is not the end, (22)_____ is not the beginning
Just a (23)_____ like a (24)_____ rocking every
revision
But you listen to the tone and the violent rhythm
Though the words (25)_____ steady
Something's empty within them
We say yeah with fists flying up in the air
Like we're holding onto (26)_____ that's
invisible there
Cause we're living at the mercy of the pain and the fear
Until we dead it, forget it let it all disappear

Fill in the gaps

Answer

1. like
