4 Seasons Of Loneliness by Boyz II Men

I long for the warmth of days gone by	And I imagine kissing you under the mistletoe
When you were mine	When springtime makes its way here
But now (1) days are memories in time	Lilac blooms reminds me of
Life's (2) without you by my side	The scent of (9) perfume
My heart belongs to you no matter what I try	When summer burns with heat
When I get courage up to love somebody new	I always get the hots for you
It always falls apart cause (3) just can't compare to	Go skinny dippin' in the ocean where we used to do
you	When autumn sheds the leaves the trees are bare
Your love won't (4) me I'm bound under ball	When you're not here It doesn't feel the same
and chain	This loneliness
Reminiscing our love as I watch four seasons change	Has crushed my heart
In comes the winter breeze	Please let me love again
That chills the air and (5) the snow	Cause I need your love to comfort me and ease my pai
And I imagine kissing you under the mistletoe	Or four seasons will bring the loneliness again
When springtime makes its way here	In comes the winter breeze
Lilac blooms reminds me of	That chills the air and drifts the snow
The scent of (6) perfume	And I imagine kissing you under the mistletoe
When summer burns with heat	When springtime makes its way here
I always get the hots for you	Lilac blooms reminds me of
Go skinny dippin' in the ocean where we used to do	The scent of your perfume
When autumn sheds the leaves the trees are bare	When summer burns with heat
When you're not here It doesn't feel the same	I always get the hots for you
(It doesn't feel the same)	Go skinny dippin' in the ocean where we used to do
	When autumn sheds the leaves the trees are bare
Remember the nights when we closed our eyes	When you're not here It doesn't feel the same
And vowed that you and I would be in love for all time	(It doesn't feel the same)
Anytime I (7) about these things I shared with	Remember the warmth of days gone by
you	
I break (8) and cry cause I get so emotional	
Until you release me I'm bound under ball and chain	
Reminiscing our love as I watch four seasons change	
In comes the winter breeze
