

It's a fire I can't resist

Fill in the gaps

There was a time	I was cryin' when I met you
When I was so (1) hearted	Now I'm tryin' to forget you
Love wasn't much of a friend of mine	Your love is sweet misery
The tables have turned, yeah	I was cryin' just to get you
Cause me and them ways have parted	Now I'm dyin' cause I let you
That kind of (2) was the killin' kind	Do what you do to me
Now listen	Cause what you got inside
All I want is someone I can't resist	Ain't where your love should stay
I know all I (3) to know by the way (4) I	Yeah, our love, sweet love, ain't love
got kissed	If you give your heart away
I was cryin' when I met you	I was cryin' when I met you
Now I'm tryin' to forget you	Now I'm tryin' to forget you
Love is sweet misery	Your love is sweet misery
I was cryin' just to get you	I was cryin' just to get you
Now I'm dyin' 'cause I let you	Now I'm dyin' just to let you
Do what you do - down on me	Do what you do, what you do, down to me, baby, baby.
Now there's not even breathin' room	I was cryin' when I met you
Between pleasure and pain	Now I'm tryin' to forget you
Yeah you cry when we're makin' love	Your love is sweet misery
Must be one and the same	I was cryin' when I met you
It's down on me	Now I'm tryin' to (9) you
Yeah I got to (5) you one thing	Your love is sweet misery
It's (6) on my mind	I was cryin' when I met you
Girl I gotta say	Now I'm dyin' to forget you
We're partners in crime	Your love is sweet misery
You got that (7) something	I was cryin' when I met you
What you give to me	Now I'm dyin' to forget you
Takes my breath away	
Now the (8) out on the street	
Is the devil's in your kiss	
If our love goes up in flames
