

Burnt all my bridges now I've run out of places

Fill in the gaps

Sometimes in life you feel the fight is over		And there's nowhere left for me to turn
And it seems as though the writings on the wall		Been caught in comprimising situations
Superstar you (1)	made it	I should have learnt
But once (2) pictu	ure becomes tainted	From all those times I didn't walk away
It's what they call		When I knew that it was best to go
The rise and fall		Is it too late to show you the shape of my heart
Sometimes in life you feel the fight is over		Sometimes in life you feel the fight is over (hmm yeah)
Over		(Over, hmm yeah)
And it seems as though the writings on the wall		And it seems as though the writings on the wall
Yeah		(The writings on the wall)
Superstar you finally made it		Superstar you (8) made it (oh yeah)
But once your picture becomes tainted		But once your picture becomes tainted
It's what they call		It's what they call (it's what they call)
The rise and fall		The rise and fall (the rise and fall)
I always said that I was gonna make it		Now I know (now I know)
Now it's plain for everyone to see		I made mistakes (I made mistakes)
But this game I'm in don't take no prisoners		Think I don't care
Just casualties		But you don't realise what this means to me
I know that everything is gonna change		So let me have
Even the friends I knew before me go		Just one more chance
But this dream is the life I've been searching for		I'm not the man I used to be
Started believing that I was the greatest		Used to be (sometimes in life you (9) the fight is
My life was never gonna be the same		over)
Cause with the money came a different status		And it seems as though the writings on the wall (be)
That's when things change		Superstar you finally made it (on the wall yeah)
Now I'm too concerned with all the things I own		But once your picture becomes tainted (oh oh yeah)
Blinded by all the pretty girls I see		It's what they call (it's what they call)
I'm beginning to lose my integrity		The rise and fall
Sometimes in life you feel the fight is over		Sometimes in life you feel the fight is over
Over		And it seems as though the writings on the wall (yeah)
And it (3) as th	ough the writings on the wall	Superstar you finally made it (oh)
Yeah		But once your picture becomes tainted (oh)
Superstar you finally (4)	it	It's (10) they call
But once your (5)	becomes tainted	The rise and fall (fall)
It's what they call		The rise and fall (sometimes in life you feel
The rise and fall		the fight is over)
I never (6) to be a troublemaker		And it seems as though the writings on the wall
Now I don't even wanna please the fans		Superstar you finally made it
No autographs, no interviews, no pictures		But once your picture becomes tainted (no no no yeah)
And less demands (and less demands)		It's what they call
Given advice that was clearly wrong		The rise and fall
The type that seems to make me feel so right		(Hmm hmm)
But some things you may fin	d can take (7) your life	

- 1. finally
- 2. your
- 3. seems
- 4. made
- 5. picture
- 6. used
- 7. over
- 8. finally
- 9. feel
