## Sometimes in life you feel the fight is over And there's nowhere left for me to turn And it seems as though the writings on the wall Been caught in comprimising situations Superstar you finally made it I should have learnt But once (1)\_\_ \_\_\_\_ picture becomes tainted From all those times I didn't walk away It's what they call When I (7)\_\_\_\_\_ that it was best to go The rise and fall Is it too late to show you the shape of my heart Sometimes in life you feel the fight is over Sometimes in life you feel the fight is over (hmm... yeah) (Over, hmm... yeah) And it seems as though the writings on the wall And it seems as though the (8)\_ on the Yeah wall Superstar you finally made it (The (9)\_ on the wall) But once your picture becomes tainted Superstar you finally made it (oh yeah) It's what they call But once your picture becomes tainted It's what they call (it's what they call) The rise and fall The rise and fall (the rise and fall) I always said that I was gonna make it Now it's plain for (2)\_\_ Now I know (now I know) But this game I'm in don't take no prisoners I made mistakes (I made mistakes) Just casualties Think I don't care I know that everything is gonna change But you don't realise what this means to me Even the friends I knew before me go So let me have But this dream is the life I've been searching for Just one more chance Started believing (3)\_\_\_\_\_ I was the greatest I'm not the man I used to be My life was never gonna be the same Used to be...
