# Fill in the gaps

## White Flags (Live) by Dido

I know you think that I shouldn't still love you
Or tell you that
But if I didn't say it, well I'd still have felt it
Where's the sense in that?
I promise I'm not trying to (1)_____ your (2)_____ harder
Or return to (3)_____ we were
But I will go down with this ship
And I won't put my hands up and surrender
There (4)_____ be no white flag above my door
I'm in love and always will be
I know I left too (5)_____ mess and
Destruction to come back again
And I caused nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "it's over"
Then I'm sure that that makes sense
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet
Which I'm (6)_____ we will
All that was there
Will be (7)_____ still
I'll let it pass
And hold my tongue
And you will think
That I've moved on...
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in (8)_____ and always will be
But I will go (9)_____ with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in (10)_____ (and always will be)

# Fill in the gaps
