## White Flags (Live) by Dido

## Fill in the gaps

I know you (1) that I shouldn't still love you	Which I'm sure we will
Or tell you that	All that was there
But if I didn't say it, well I'd still have felt it	Will be there still
Where's the sense in that?	I'll let it pass
I (2) I'm not trying to make your life harder	And hold my tongue
Or return to where we were	And you will think
But I will go down with this ship	That I've moved on
And I won't put my hands up and surrender	I will go down with this ship
There will be no white flag above my door	And I won't put my hands up and surrender
I'm in (3) and always will be	There will be no white flag above my door
I know I (4) too much mess and	I'm in love and always will be
Destruction to come back again	I will go down with this ship
And I caused nothing but trouble	And I won't put my hands up and surrender
I understand if you can't talk to me again	There will be no (6) flag above my door
And if you live by the rules of "it's over"	I'm in (7) and always will be
Then I'm sure that that makes sense	But I will go (8) with this ship
But I will go down with this ship	And I won't put my hands up and surrender
And I won't put my hands up and surrender	There will be no white (9) above my door
There will be no (5) flag above my door	I'm in love (and (10) will be)
I'm in love and always will be	
And when we meet	

- 1. think
- 2. promise
- 3. love
- 4. left
- 5. white
- 6. white
- 7. love
- 8. down
- 9. flag
- 10. always
