

Fill in the gaps

I know you think that I shouldn't (1) love you	Which I'm (15) we will
Or tell you that	All that was there
But if I didn't say it, (2) I'd (3) have	Will be there still
felt it	I'll let it pass
Where's the (4) in that?	And hold my tongue
I promise I'm not trying to make (5) life harder	And you will think
Or return to where we were	That I've moved on
But I (6) go down with this ship	I (16) go down with this ship
And I won't put my hands up and surrender	And I won't put my hands up and surrender
There will be no white (7) above my door	There will be no white (17) (18) my
I'm in love and always will be	door
I know I left too (8) (9) and	I'm in love and always (19) be
Destruction to (10) back again	I (20) go down (21) this ship
And I caused nothing but trouble	And I won't put my (22) up and surrender
I understand if you can't talk to me again	There will be no white flag above my door
And if you (11) by the rules of "it's over"	I'm in love and (23) will be
Then I'm (12) that that (13) sense	But I (24) go (25) with this ship
But I will go (14) with this ship	And I won't put my (26) up and surrender
And I won't put my hands up and surrender	There (27) be no white flag above my door
There will be no white flag above my door	I'm in love (and always will be)
I'm in love and always will be	
And when we meet
