

Got my mind made, I don't plan to leave

Fill in the gaps

Words by Anthony David & India Arie

I believe that heaven must be like this	Cause you were meant for me
Ray of (1) kissed upon your skin	Simple that may be
Just say you love me	Why be complex
Make my day go good	Loving you is so easy
Pot of (2) at the end of a rainbow	Can't tell you nothing you ain't already heard
Can't tell you (3) you ain't already heard	(Already Heard)
No matter what I say it's nothing but words	No matter what I say it's nothing but words
Just let me prove to you what I know is real	(Nothing But Words)
Let me express to you the way that I feel	Just let me (13) to you what I (14) is
I believe (4) love is synonymous	real
With heaven, such a sensual bliss	(It's Real)
The way you touch me, makes (5) (6)	Let me express to you the way that I feel
so good	Can't tell you nothing you ain't already heard
A reward at the, end of our long road	No (15) (16) I say it's nothing but
Can't (7) you nothing you ain't already heard	words
(Already heard)	Just let me prove to you what I (17) is real
No (8) what I say it's (9)	Let me express to you the way that I feel
but words	Can't (18) you nothing
(Give me more than words)	I ain't already heard
Just let me prove to you what I (10) is real	No matter what I say
(So Real)	It's nothing but words
Let me (11) to you the way that I feel	Just let me prove to you (19) I (20) is
Show me the way (12) you feel	real
(Ah ah ah)	Let me express to you the way that I feel
Fairytales can be real if you just believe
