Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we (1)_____ talking like always
I could touch snow (2)_____ leaves
You (3)_____ walking closer to me
I (4)_____ play you a song out loud
Yeah, we could sing it 'till the year runs out
I remember (5)_____ covered white
And I remember a long tonight
Said our December will be (6)_____ with light
And I see you walking to me
We were holding future in hand
A place to fly and a place to land
Now our December will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light
And I see you walking to me
I could see (7)_____ covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember (8)_____ covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember (9)_____ (10)_____ white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
