Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could (1)_____ snow covered leaves
You (2)_____ walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year runs out
I remember streets covered white
And I remember a long tonight
Said our (3)_____ will be littered with light
And I see you (4)_____ to me
We were holding (5)_____ in hand
A place to fly and a place to land
Now our (6)_____ will be sure to last
I (7)_____ there'll be no rush for the year to pass
I remember streets covered white
And I (8)_____ a long tonight

Said our December will be littered with light
And I see you walking to me
I could see snow covered hills
And all at (9)_____ my heart is still
I see you (10)_____ to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
