could see (1) cover hills			
You were walking, I was standing still			
I could feel the cold on my face			
And we were talking like always			
I could touch snow covered leaves			
You were walking closer to me			
l would play you a song out loud			
Yeah, we could sing it 'till the year runs out			
I remember streets covered white			
And I remember a long tonight			
Said our (2) will be littered with light			
And I see you walking to me			
We were holding future in hand			
A place to fly and a place to land			
Now our December will be sure to last			
I said there'll be no rush for the year to pass			
I remember streets covered white			
Tromombol directe covered white			
And I remember a (3) tonight			

Said our December will I	be littered with light		
And I see you walking to me			
I could see (4)	_ covered hills		
And all at once my heart is still			
I see you (5)	to me		
(Yeah) I see you walking to me			
I (6)	_ (7)	covered white	
And I remember a long tonight

And I see you walking to me			
I (8)	_ streets (9)	white

And I see you walking to me			
I see you walking to me
