Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were (1)_____ like always
I (2)_____ touch (3)_____ covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could (4)_____ it 'till the year runs out
I remember streets covered white
And I remember a (5)_____ tonight
Said our December will be littered with light
And I see you (6)_____ to me
We were holding future in hand
A place to fly and a (7)_____ to land
Now our December will be (8)_____ to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a (9)_____ tonight

Said our December will be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember (10)_____ covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
