I Could Be The One by Stacie Orrico

I could be the one	Someone You're looking for
I (1) be the one	I don't have much to give
I (2) what I've got to be	Lord, I'm ready
For You to wanna use me	And (9) You
I do not always have just the right words to say	I could be the one
But You taught me simple things	Whatever you want me to do
That I'd love the chance to bring	I will hold on to
To a world of people who just simply (3) You	What you say can be done
Doesn't matter where I'm from	I could be the one
Where I've been	Someone You're looking for
How far I've come	I don't have much to give
Doesn't matter where I live	Lord, I'm ready
Or what I have	And through You
You want my life	I could be the one
Doesn't matter who I know	Whatever you want me to do
Or what I've done	I will hold on to
You Take it all	What you say can be done
You want me as I am	I could be the one
I could be the one	Bright, Bright
Someone You're (4) for	Shooby-Doop, Shooby-Doop
I don't have much to give	Bright, Bright
Lord, I'm ready	Shooby-Doop, Shooby-Doop-Doop
And through You	Bright
I could be the one	You take the crazy things
Whatever You want me to do	You take the weakest things
I will hold on to	You use the foolish things
What You say can be done	To show Your glory
I (5) be the one	Lord take my broken heart
It is amazing to see	Take all of my mistakes
That You chose people like me	Please, take all of me
Who get off track, fall, crashin' down to the ground	I want to show how (10) You are
But that's (6) You pick me up	I could be the one
And show Your strength is enough	Someone You're looking for
You can use a broken heart to heal a broken life	I don't have much to give
Doesn't matter where I'm from	Lord, I'm ready
Where I've been	And through You
How far I've come	I could be the one
Doesn't (7) where I live	Whatever you want me to do
Or what I have	I will hold on to
You want my life	What you say can be done
Doesn't matter who I know	I could be the one
Or what I've done	If You say it can be done
You Take it all	I believe I could be the one [repeated]
