## Tied Together With A Smile by Taylor Swift

Seems the (1) one who doesn't see the beauty	The water's high
Is the (2) in the mirror looking (3) at you	You're jumping into it
You (4) (5) here thinking you're not	And letting go
pretty	And no one knows
But that's not true	That you cry
Cause I know you	But you don't tell anyone
Hold on, baby you're losing it	That you (12) not be the golden one
The water's high	And you're tied together with a smile
You're jumping into it	But you're (13) undone
And letting go	Hold on, baby you're losing it
And no one knows	The water's high
That you cry	You're (14) it
But you don't tell anyone	And (16) go
That you might not be the (6) one	And no one knows
And you're tied together with a smile	That you cry
But you're coming undone	But you don't tell anyone
I guess it's (7) (8) (9) was all	That you might not be the (17) one
you wanted	And you're (18) (19) with a
Cause you've given it away	smile
Like it's extra change	But you're coming undone
Hoping it (10) end up in his pocket	You're tied together with a smile
But he leaves you out	But you're coming undone
Like a peny in the rain	Goodbye, baby, with a smile, baby, baby
Oh, cause it's not his price to pay	
It's not his price to pay	
Hold on, (11) you're losing it
