## A Whiter Shade Of Pale by Procol Harum

We skipped a light fandango	As the miller told his tale
Turned cartwheels 'cross the floor	That her face, at first just ghostly
I was feeling kind of seasick	Turned a whiter shade of pale
(But the) crowd called out for more	She said there is no reason
The room was humming harder	And the (5) is plain to see
As the ceiling flew away	But I wandered through my playing cards
When we (1) out for (2)	Would not let her be
drink	One of (6) vestal virgins
The waiter brought a tray	Who (7) (8) for the coast
And so it was that later	At the moment my eyes were open
As the miller told his tale	They might just as well have been closed
That her (3) at first just ghostly	And so it was that later
Turned a whiter shade of pale	As the miller told his tale
She said, I'm home on shore leave	That her face at first (9) ghostly
Though in truth we (4) at sea	Turned a whiter shade of pale
So I took her by the looking glass	And so it was that later
And would not let her be	As the miller told his tale
Saying, you must be the mermaid	That her face at (10) just ghostly
Who took neptune for a ride	Turned a whiter shade of pale
But she smiled at me so sadly	
That my anger straightway died
