## Strange Deja vu by Dream Theater

I'm feeling like I'm going out of my head

Tears my heart into two

Subconscious strange sensation I'm not the one the sleeper thought he knew Unconscious relaxation Back on my feet again What a (1)\_\_\_\_ \_\_ nightmare Eyes open to real world And I can't wait to get there again Metropolis surrounds me Every time I close my eyes There's another (2)\_\_\_ Why is this other life Another whole life waiting Haunting me everyday Chapters unfinished, fading Closer now, (3)\_\_\_\_\_ coming into view I've arrived, blinding sunshine beaming through Something's awfully familiar There's a house I'm drawn into Familiar settings, nothing new There's a pathway leading there With a haunting chill in the air I'm still (7)\_ There's room at the top of the stairs Every night I'm drawn up there Today I am searching for it There's a girl in the mirror Her face is (4)\_\_\_\_ Today I am searching for it \_\_\_\_ clearer The one that I only know Young child won't you tell me why I'm here? In her eyes, I sense a story never told Trying to break free Behind the disguise, there's something tearing At her soul Tonight I've been searching for it head A feeling that's deep inside me Tears my soul into two Tonight I've been searching for The one that nobody knows I just can't help myself Trying to break free I just can't help myself Uncanny, strange Deja Vu

The mirror's shattered the girl I'd break through the other side If (5)\_\_\_\_\_ I'd find the way The feeling's so hard to shake Could I have (6)\_\_\_\_\_ in that other world It's a link that I'm destined to make \_ but I don't know what for The missing key to unlock my mind's door A feeling that won't go away \_\_\_\_ can't help myself I'm feeling (9)\_\_\_\_\_ I'm (10)\_\_\_\_ out of my I'm not the one I thought I always knew I'm feeling like I'm going out of my head

But I don't mind, I hope to find the truth
