

## Fill in the gaps

How (1) it feel?	Want it you got it, you're sorry you bought it,
When you have it all?	(4) hide it
How can you live?	Tell me who do you see
With nothing at all?	'Cause you look a lot like me
Where do you run?	How can you take?
Where do you go?	Without (5) back?
When the holes in your truth	Who do you see?
Are starting to show?	'Cause you look a lot like me
And the rain comes	Want it you got it, you're sorry you bought it, you're sliding
And the world is on my head	Want it you got it, you're sorry you bought it, can't
Crave the sun	(6) it
But I can't get out of bed	Want it you got it, you're sorry you bought it,
How can you take?	(7) sliding
Without giving back?	Want it you got it, you're sorry you bought it, can't hide it
How does it work?	And the rain comes
When it's (2) cracked?	And the world is on my head
How does it feel	Crave the sun
And no wonder	But I can't get out of bed
Hearts and minds have been won	Want it you got it, you're sorry you bought it, you're sliding
How does it feel	Want it you got it, you're sorry you bought it, can't hide it
And I wonder	Tell me who do you see
How it's all come undone	'Cause you look a lot like me
And the rain comes	You (8) a lot like me
And the (3) is on my head	You look a lot, you look a lot like me (oh)
Crave the sun	You (9) a lot like me (oh)
But I can't get out of bed	You look a lot like me (oh)
Want it you got it, you're sorry you bought it, you're sliding	You look a lot like me (oh)
	(You look a lot like me)
