

Tonight by Alex Band

Fill in the gaps

...

Well the sky broke in two
Found you dancing alone
Then the room filled up with you
And that (1)_____ we both know
That's when you caught me with your eyes
And sent shivers down my spine
And then you whispered in my ear
You said "I can (2)_____ it too"
And then you pulled me into you
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall (3)_____ forever, all is right
Cause I got you where I want you
Tonight
Tonight
Through all of science and history
Well nothing's ever stock with me
But now I'm locked on to you
And I'm holding on to
The (4)_____ thing I know

And now I'm never letting go
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music (5)_____ us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight, tonight
The whole world could fall away
But you and I
No we won't be afraid
Tonight
I got you (6)_____ I want you
Closer I can (7)_____ you anything
Tonight
Let the music take us over
We'll fall (8)_____ forever, all is right
Cause I got you (9)_____ I want you
Tonight
I got you where I want you
Tonight

Answer

1. song
2. feel
