

Where the blood just barely dried

Fill in the gaps

This Is Your Life (Live) by The Killers

	You (6) I'm on your side
Candy (1) to strangers	Wait for something better
Thinks her life's in danger	No one behind you
No one gives a damn (2) her hair	Watching your shadows
It's lonely down on (3) street	You gotta be stronger than the story
She (4) to go by Jackie	Don't let it blind you
The cops, they'll steal your dreams	Rivers of shadow
And they'll kill your prayers	This feeling won't go
Take a number where the blood (5) barely dried	And the sky is full of dreams
Wait for something better	But you don't know how to fly
No one behind you	I don't (7) a simple answer
Watching your shadows	But I (8) that I (9) answer
This feeling won't go	Something better
Crooked wheels keep tuning	This feeling won't go
Children, are you learning	Wait for it
Climatize but don't you lose the plot	Wait for it
A history of blisters	Wait for it
Your brothers and your sisters	Wait for it
Somewhere in the pages we forgot	
Take a number Jackie
