Watch it burn

The Great Escape by Boys Like Girls

Paper bags and plastic hearts	Let it die
All are belongings in (1) carts	'Cause we are finally free tonight
It's goodbye	All of the wasted time
But we got one more night	The hours that were left behind
Let's get drunk and drive around	The answers (6) we'll never find
And (2) peace with an empty town	They don't mean a thing tonight
We can make it right	Throw it away
Throw it away	Forget yesterday
Forget yesterday	We'll make the great escape
We'll make the (3) escape	We won't hear a word they say
We won't hear a word they say	They don't know us anyway
They don't know us anyway	Throw it away
Watch it burn	Forget yesterday
Let it die	We'll make the great escape
'Cause we are (4) free tonight	We won't (7) a word (8) sa
Tonight will change our lives	They don't know us anyway
It's so good to be by your side	Throw it away
But we'll cry, (no)	Forget yesterday
We won't give up the fight	We'll make the great escape
We'll scream loud at the top of our lungs	We won't hear a word (9) say
And they'll think it's just cause we're young	They don't know us anyway
And we'll feel so alive	Watch it burn
Throw it away	Let it die
Forget yesterday	'Cause we are finally (10) tonight
We'll make the great escape	
We won't hear a word they say	
They don't (5) us anyway
