Well I saw fireworks from the freeway	The remedy is the experience
And behind closed eyes I cannot make them go away	This is a dangerous liaison
'Cause you were born on the fourth of july,	I say the comedy, is that it's serious
(1) ring	This is a strange enough new play on words
Now (2) on the (3)	I said the (15) is how you're gonna spend
it stinks	The rest of (16) nights with the light on
I said something on the surface	So shine the light on all of your friends
Really kind of makes me nervous	When it all amounts to nothing in the end
Who (4) (5) you deserve this	I won't (17) my (18) away (ee
And what kind of god would serve this?	oooh)
We (6) this dirty old disease	I won't worry my life away (ee oooh)
Well if you gots the poison, I've gots the remedy	When I (19) in love
The (8) is the experience	I take my time
It is a dangerous liaison	There's no need to hurry when I'm making up my mind
I say the comedy, is that it's serious.	You can turn off the sun
This is a strange enough new play on words	But I'm still (20) (21) and I'll tell
I said that tragedy is how you're gonna spend	you why
The rest of your nights with the (9) on	Because the (22) is the experience
So shine the light on all of (10) friends	This is a dangerous liaison
When it all amounts to nothing in the end	I say the comedy, is that it's serious
I won't (11) my life away (ee oooh)	This is a strange enough new play on words
I won't worry my life away (ee oooh)	I said the tragedy is how you're gonna spend
Well, I heard two men talking on the radio	The rest of (23) nights with the light on
In a cross fire kind of new reality show	So (24) the light on all of your friends
Uncovering the ways to plan the next big attack	When it all (25) to nothing in the end
Where (12) were counting down the ways to stab	I won't worry my life away (ee oooh)
The brother in the be right back (13) this	I won't worry my life away (ee oooh)
The unavoidable kiss, (14) the minty fresh	I won't worry my life
Death breath sure to outlast this catastrophe	I won't worry my life away (ee oooh)
Dance with me	
'Cause if you gots the poison	
I've gots the remedy
