

Fill in the gaps

Think of life without music	Something has begun
Silence the whole day long	Bring us all together
Ears (1) don't (2) rhythm	Moving now as one
Words (3) a song	When the drums come calling
Just don't know (4) to do	The baseline (13) you in
How could I (5) out my days	Sounds of (14) splendour
Would I be (6) up	Fit for a (15) and queen
Pushing my life away	Secrets of the universe
When the drums come calling	The mysteries of life
The baseline grooves you in	And the (16) (17) don't
Sounds of (7) splendour	(18) sense
Fit for a king and queen	All come clear
Secrets of the universe	'Cause music takes me up
The (8) of life	Music (19) me up
And the (9) that don't make sense	Yes, music takes me up
All (10) clear	Music (20) me up
'Cause (11) takes me up	Music takes me up
Music takes me up	Music takes me up
Now that we have the music	Music (21) me up
There's no turning round	Music takes me up
Captured in the moment	Yes, (22) takes me up
All (12) in the sound	
There's a brand new freedom
