

Fill in the gaps

My breath (1) of a thousand rags	wy song, my song
And when I'm drunk I (2) like me Dad	If I did it all again I'd be a nun
I've (3) to dress a bit like him	The rain was (16) cold when I was young
Early (4) when I (5) up	I'm still young we're still young
I (6) like Kiss but without the make up	Life's too short to be afraid
And that's a good line to take it to the bridge	Step (17) the sun
And you know and you know	And you (18) and you know
Cos my life's a mess	Cos my life's a mess
And I'm trying to grow	And I'm trying to grow
So (7) I'm old I'll confess	You think that I'm strong
You think that I'm strong	You're wrong, you're wrong
You're wrong	I'll sing my song
You're wrong	My song, my song
I'll sing my song	(You think (19) I'm strong)
My song	(You're wrong, you're wrong)
My song	(I'll sing my song)
My bed's (8) of takeaways and fantasies	(My song, my song)
Of easy lays	Life's too short to be afraid
The (9) button's broke on my video	So take a pill to numb the pain
And is this real cos I feel fake	You don't have to (20) the blame
Oprah Winfrey Ricki Lake	Life's too short to be afraid
Teach me (10) I don't (11) to know	So take a (21) to numb the pain
And you (12) and you know	You don't have to (22) the blame
Cos my life's a mess	Life's too short to be afraid
And it's (13) to show	So take a pill to numb the pain
So before I'm old I'll confess	You don't have to (23) the blame
You (14) that I'm strong	
You're wrong, you're wrong	
I'll (15) my song
