Getting Away With Murder by Papa Roach

Somewhere beyond (1) and sadness	Getting away, (18) away, getting away
I need to calculate	getting away
What creates my own madness	Getting away, (19) away,
And I'm addicted to your punishment	(20) away, getting away
And you're the master	Getting (21) (22) murder
And I am (2) for disaster	Somewhere beyond happiness and sadness
I feel irrational	I need to calculate
So confrontational	What creates my own madness
To (3) the truth again	And I'm addicted to your punishment
I am getting (4) (5) murder	And you're the master
It isn't possible	And I am (23) this disaster
To never tell the truth	I feel irrational
But the reality is I'm (6) away (7)	So confrontational
murder	To tell the (24) again
Getting away, getting away, (8) away	I am getting away with murder
I drink my drink and I don't (9) to	It isn't possible
I think my thoughts (11) I don't even need to	To never tell the truth
I never look back cause I don't even (12) to	But the reality is I'm getting away with murder
And I don't (13) to	Getting away, getting away, (25) away
Because I'm getting away (14) murder	I (26) irrational
I feel irrational	So confrontational
So confrontational	To tell the truth again
To tell the truth again	I am getting away with murder
I am (15) (16) with murder	It isn't possible
It isn't possible	To never tell the truth
To never (17) the truth	But the reality is I'm getting away with murder
But the reality is I'm getting away with murder
