(Sha la la la la la la hmm, uh huh)	"She's looking at you. I don't think so. She's looking at me."
I was down at the New Amsterdam	Standing in the spotlight
Staring at this yellow-haired girl	I bought myself a gray guitar
Mr. Jones strikes up a conversation	When everybody loves me
With a black-haired	I'll never be lonely
Flamenco dancer	I'll never be lonely
She dances (1) his father plays	Son, I'm never gonna be LONELY
Guitar	I wanna be a lion
She's suddenly beautiful	E-Everybody wants to pass as cats
We all want something beautiful	We all wanna be big big stars, yeah, but
Man I wish I was beautiful	We've got (6) reasons for that
So come dance this silence down through the mornin'	Believe in me
(Sha la la la la la la la yeah uh huh, yeah)	'Cause I don't believe in anything
Cut up, Maria!	And I, I wanna be someone
Show me some of that Spanish dancin'	To believe, to believe, yeah
Pass me a bottle, Mr. Jones	Mr. Jones and me
Believe in me	Stumbling through the barrio
Help me believe in anything	Yeah we stare at the beautiful women
'Cause I wanna be someone	"She's perfect for you
Who believes, yeah	Man, there's got to be somebody for me."
Mr. Jones and me	I wanna be Bob Dylan
Tell (2) other fairy tales and we	Mr. Jones wishes he was someone just a little more funky
Stare at the beautiful women	When everybody (7) you
"She's looking at you. Ah, no, no, she's looking at me."	Oh, son, that's just' bout as funky as you can be
Smiling in the (3) lights	Mr. Jones and me
Coming through in stereo	Staring at the video
When everybody loves you	When I look at the television
You can never be lonely	I wanna see me staring (8) back at me
Well, I'm gonna paint my picture	We all wanna be big stars
Paint myself in blue and red and black and gray	But we don't (9) why
All of the (4) colors are very very	And we don't know how
meaningful	But when everybody loves me
Yeah, well, you know gray is my favorite color	I'll be just' bout as happy as I could be
I felt so symbolic yesterday	Mr. Jones and me
If I knew Picasso	We're gonna be big stars
I would buy myself a gray (5) and play	
Mr. Jones and me look into the future	
Yeah, we stare at the beautiful women
