

Yeah, we stare at the beautiful women

## Fill in the gaps

(Sha la la la la la la hmm, uh huh)	"She's looking at you. I don't think so. She's looking at me."
I was (1) at the New Amsterdam	Standing in the spotlight
Staring at this yellow-haired girl	I bought (13) a (14) guitar
Mr. Jones (2) up a conversation	When (15) loves me
With a black-haired	I'll never be lonely
Flamenco dancer	I'll (16) be lonely
She dances (3) his father plays	Son, I'm never gonna be LONELY
Guitar	I wanna be a lion
She's suddenly beautiful	E-Everybody wants to pass as cats
We all want something beautiful	We all wanna be big big stars, yeah, but
Man I (4) I was beautiful	We've got different reasons for that
So come dance this silence down through the mornin'	Believe in me
(Sha la la la la la la yeah uh huh, yeah)	'Cause I don't believe in anything
Cut up, Maria!	And I, I wanna be someone
Show me some of that Spanish dancin'	To believe, to believe, yeah
Pass me a bottle, Mr. Jones	Mr. Jones and me
Believe in me	Stumbling through the barrio
Help me believe in anything	Yeah we stare at the (17) women
'Cause I wanna be someone	"She's (18) for you
Who believes, yeah	Man, there's got to be somebody for me."
Mr. Jones and me	I wanna be Bob Dylan
Tell (5) other fairy tales and we	Mr. Jones wishes he was (19) just a little
Stare at the beautiful women	more funky
"She's (6) at you. Ah, no, no, she's looking	When everybody (20) you
at me."	Oh, son, that's just' bout as funky as you can be
Smiling in the bright lights	Mr. (21) and me
Coming through in stereo	Staring at the video
When everybody loves you	When I look at the television
You can never be lonely	I (22) see me (23)
Well, I'm gonna paint my picture	(24) (25) at me
Paint myself in blue and red and black and gray	We all wanna be big stars
All of the beautiful colors are very very meaningful	But we don't know why
Yeah, well, you (7) (8) is my	And we don't know how
(9) color	But when everybody (26) me
I felt so symbolic yesterday	I'll be just' bout as (27) as I (28) be
If I knew Picasso	Mr. Jones and me
I (10) buy myself a gray guitar and play	We're gonna be big stars
Mr. (11) and me look (12) the future
