

Fill in the gaps

I recommend getting (1) heart	You wait and see when the smoke clears
Trampled on to anyone, yeah	You live you learn, you (7) you learn
I recommend walking (2) naked	You cry you learn, you lose you learn
In your (3) room, yeah	You bleed you learn, you scream you learn
Swallow it down, what a jagged little pill	I I (oh oh)
It (4) so good, swimming in your stomach	
Wait until the dust settles	Wear it out
You live you learn, you love you learn	The way a three-year-old (8) do
You cry you learn, you (5) you learn	Melt it down
You bleed you learn, you scream you learn	You're gonna have to eventually, anyway
I recommend biting off more than	The fire trucks are coming up around the bend
You can chew to anyone	You live you learn, you love you learn
I certainly do	You cry you learn, you lose you learn
I (6) sticking your foot	You (9) you learn, you ask you learn
In your mouth, at any time (oh)	You laugh you learn
Feel free	
Throw it down	
The caution blocks you from the wind	
Hold it up, to the rays
