

Hold it up, to the rays

## Fill in the gaps

I recommend getting your heart	You wait and see when the smoke clears
Trampled on to anyone, yeah	You (12) you learn, you love you learn
I (1) walking (2)	You cry you learn, you lose you learn
naked	You bleed you learn, you (13) you learn
In (3) living room, yeah	I I (oh oh)
Swallow it down, (4) a (5)	
(6) pill	Wear it out
It feels so good, swimming in your stomach	The way a three-year-old (14) do
Wait until the (7) settles	Melt it down
You live you learn, you love you learn	You're (15) (16) to eventually,
You cry you learn, you lose you learn	anyway
You (8) you learn, you (9) you	The (17) (18) are coming up
learn	(19) the bend
I (10) biting off more than	You live you learn, you love you learn
You can chew to anyone	You cry you learn, you lose you learn
I certainly do	You (20) you learn, you ask you learn
I recommend (11) your foot	You (21) you learn
In your mouth, at any time (oh)	
Feel free	
Throw it down	
The caution blocks you from the wind
