

## Fill in the gaps

| I recommend getting your heart             |  |
|--|--|
| Trampled on to anyone, yeah                |  |
| I recommend (1) around naked               |  |
| In your living room, yeah                  |  |
| Swallow it down, what a jagged little pill |  |
| It feels so good, swimming in your stomach |  |
| Wait until the dust settles                |  |
| You live you learn, you (2) you learn      |  |
| You cry you learn, you lose you learn      |  |
| You bleed you learn, you (3) you learn     |  |
| I recommend biting off more than           |  |
| You can chew to anyone                     |  |
| I (4) do                                   |  |
| I recommend sticking your foot             |  |
| In your mouth, at any time (oh)            |  |
| Feel free                                  |  |
| Throw it down                              |  |
| The caution blocks you from the wind       |  |
| Hold it up, to the rays                    |  |

| You wait and see when the smoke clears    |
|---|
| You live you learn, you love you learn    |
| You cry you learn, you lose you learn     |
| You bleed you learn, you scream you learn |
| I I (oh oh)                               |
|   |
| Wear it out                               |
| The way a three-year-old (5) do           |
| Melt it down                              |
| You're gonna have to eventually, anyway   |
| The (6) (7) are coming up                 |
| (8) the bend                              |
| You (9) you learn, you love you learn     |
| You cry you learn, you lose you learn     |
| You pray you learn, you ask you learn     |
| You laugh you learn                       |
